Message from Charles Poon

Chair of Markham Wesley Centre

On behalf of the board of Markham Wesley Centre (MWC), I would like to extend my warmest welcome to all of our distinguished guests, brothers and sisters, MWC members and friends joining us this morning in our 13th Blessing Walk annual fundraiser.

This year is the 13th year of our Blessing Walk. With your generous support in the last 12 years, we were able to raise sufficient funds to complete the construction of the Church Café for youths and young adults. We are also able to continue to provide empowering and engaging programs at MWC and Markham Peoples Community Church (MPCC) to promote children and youth's holistic wellness.

This year, our theme is "Explore Team Spirit" and we believe Team Spirit will bring greater support to the needs of the children and youths in the communities for their positive and healthy developments.

I must commend our event Chair Joyce Luo for her leadership and hard work. I would also like to thank the Organizing Committee, all our sponsors, donors, participants and volunteers. You have given your time, resources and energy to organize this fundraiser. None of this would have been possible without the dedication of the entire team and people like you who are giving back to the communities.

Thank you for your participation and support, looking forward to seeing you all at future MPCC and MWC events. God Bless you all and have a delightful walk.

With warmest regards,

Message from Joyce Luo

Event Chair 13th Blessing Walk / 2023 Markham Carnival

On behalf of the organizing committee, I would like to extend our warmest welcome to all our honourable guests, generous sponsors, persevering walkers, well preparing team players, and humble volunteers who joining the 13th Blessing Walk and 2023 Markham today.

Through this fundraising campaign, we hope to raise \$150,000 to create programs promoting the holistic wellness for children and youth. We know that a happy childhood heals a lifetime, and an unhappy childhood takes a lifetime to heal. And that's why we want to help children and youth, especially those who are trapped, those who are lack of confidence, and those who were hurt.

Our theme for this year is “Explore Team Spirit”. During the pandemic, we got into the habit of going hiking together in a group. This not only exercises our bodies, but also allows us to support, encourage, collaborate, and inspire each other. We believe this applies to the children and youth who are shy to how their talents as well. Let’s embrace them and show them our love, like God loves us.

Thank you for your continue support and look forward to seeing you on Aug 19, 2023.

God Bless!
